## Pool Supervisor

### Application Details

Cover letter/Resume

### Job Types

Full-time Seasonal

Are you looking for an opportunity to build upon your supervisory skills?

Are you a dynamic and enthusiastic individual who would enjoy working as part of a team to assist with the planning and implementation of water-based recreational activities?

We may have the perfect seasonal opportunity for you!

### The Opportunity

The Town of Pictou Aquatics is seeking a dynamic and enthusiastic individual as the Pool Aquatic Supervisor for Full Time Seasonal opportunity.

### Our Pool Aquatic Supervisor position is responsible for:

- Supervising staff by assigning work schedules, duties, and priorities, completing performance appraisals, and counseling employees on work performance.
- Assisting with planning and implementation of special events.
- Providing lifeguard duties during public swim times by ensuring a safe swimming environment, by being attentive to swimmers, enforcing safety rules and educating the public about water safety in and around the water.
- Assisting with daily maintenance of the pool facility, chemical testing, and reporting, checking lifesaving equipment, and providing input into improvements to the pool facility program.

### Our successful candidate will have:

- knowledge and understanding of the principles, methods and equipment used in water-based recreational activities.
- understanding of the methods and techniques for delivering Lifesaving swimming lessons and lifeguard procedures.
- knowledge of pool operations including safety, cleaning, and other pool maintenance.

- knowledge of other water-based recreation as it relates to a park environment; and
- knowledge of other aquatic based activities, such as aquafit would be an asset.

You will also have experience working with children either through instructing swimming lessons, camp counseling, youth leader or other related volunteer or work positions. You will also be an excellent communicator who understands how to lead a team to success.

**The ideal candidate will hold current certifications in the following:** Lifesaving Swim for Life Instructor certification and LSS National Lifeguard - Pool Certification. You will also hold a valid Standard First Aid and CPR-C certification.

Other aquatic certifications would be an asset.

This full-time supervisory seasonal position will work various hours including evenings and weekends. There is a possibility of extending this position to support the aquatic facility in operational duties year-round in a less than full-time capacity.

Please provide references The Successful candidates will require a Criminal Record Check and Working with Vulnerable Persons search prior to commencing work and must maintain a clean Criminal Record to remain on staff. Please forward a resume along with a cover letter to the email provided.
