

Town of Pictou
Volunteers of the Year
2022

Hugh and Sandra Campbell

Hugh and Sandra have been exceptional volunteers and coaches for the past 5 years with the New Caledonian Curling Club. They have brought the youth program from 4 curlers to over 25 participants in the last 3 years. Hugh is a certified Curling Coach and former teacher who along with Sandra, also a retired teacher, have organized an excellent program to introduce the sport of curling to youth in our community.

During the curling season they teach youth curling at least 2 days a week. In addition, they have held several youth bonspiels and fun days involving curlers and parents. They organized curling "camps" during school breaks that involve young students from all over Pictou County.

Sandra works very hard making sure each event is well organized with lots of refreshments and snacks to make the day special, ensuring that parents are as involved as much as possible to make each event a success.

In addition to his curling mentoring and coaching, Hugh can often be seen entertaining at our local nursing home, sharing his talents as a musician and singer.

**The Town of Pictou is very proud to have Hugh and Sandra as our
2022 Volunteers of the Year.**
